OXI Muscle™ Household Cleaner & Stain Remover

Homes are full of hard surfaces that you clean daily. You want a fast-acting, environmentally preferred, multi-purpose cleaner that eliminates tough grease and stains in the kitchen and bath. Recochem's **OXI Muscle™** is an effective solution containing 20% more active oxygen compared to the national brands*, but without the high price tag.

OXI Muscle™ advantages:

- Starts to work on contact releasing oxygen to oxidize and remove ORGANIC stains such as grass, wine, food and juice
- Eliminates odours by oxidizing odour producing organics from stains
- Cleans away light duty stains from carpet, upholstery and fabrics
- Excellent for household textile cleaning – gets rid of tough grease and dirt from surfaces such as countertops, appliances, tile and grout and linoleum
- Environmentally preferred product: chlorine-free, phosphate-free and biodegradable
- Packaged in a convenient 625 mL spray trigger bottle for targeted application

How to use:

- Test for colourfastness prior to use
- Remove all loose dirt from area prior to application
- Apply product, let stand for 3 - 5 minutes, remove with absorbent cloth or colourfast sponge
- Rinse thoroughly with water and wipe dry

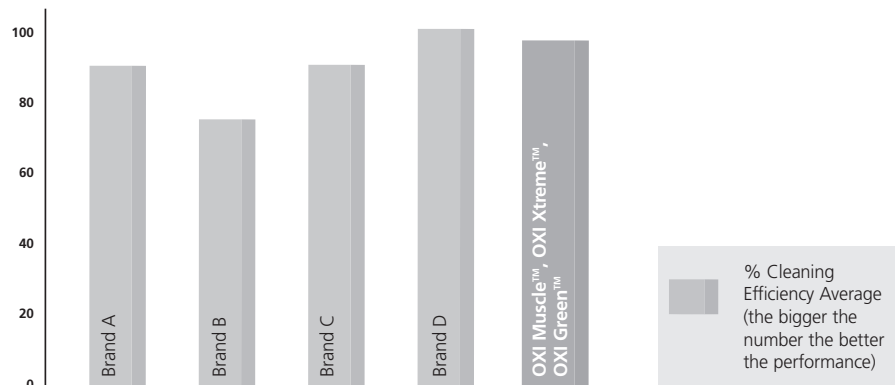

For best results, treat stain immediately. Some stains may cause permanent discolouration even after cleaning. For water washable surfaces only.

Cautions: DO NOT USE on non-colourfast surfaces or surfaces damaged by water, such as leather, wool and silk. Store upright in a cool, dry place. Do not mix with chlorine bleach or other household cleaners.

*The information presented is believed to be statistically accurate. Actual results may differ.
