

# LIQUID- PLUMR™

**HOLDING & SEPTIC TANK TREATMENT**  
Use in RVs, boats & portable toilets

**Liquid-Plumr™ Holding & Septic Tank Treatment** is formulated to combat strong odours in RVs, boats and portable toilet tanks. This scent-free, CONCENTRATE formula accelerates the breakdown of tank waste and tissue to completely and naturally eliminate odours. Formaldehyde free and non-corrosive, it is safe and gentle for your black, grey or recirculating tank system.

- Prevents tank odours in RVs, boats and portable toilet tanks
- Aids in the breakdown of waste
- Formaldehyde free; non-corrosive – safe for tanks
- 100% biodegradable
- Packaged in a dosing bottle for easy application

# LIQUID- PLUMR™

**HOLDING & SEPTIC TANK TREATMENT**  
Use in RVs, boats & portable toilets

Whether you have an RV, boat or septic tank, scent-free **Liquid-Plumr™ Holding & Septic Tank Treatment** works by accelerating the breakdown of tank waste & tissue to completely and naturally eliminate odours. Safe and gentle for your tank – formaldehyde free, non-corrosive and 100% biodegradable.

**DIRECTIONS:**

1. Make sure both caps are tightly sealed and tip bottle to transfer liquid from bottle to chamber (refer to table for treatment guidelines.)
2. Remove only the measuring chamber cap and pour liquid into toilet.
3. Flush into holding tank using suggested amount of water.

For optimal performance, flush and empty system weekly. Do not mix **Liquid-Plumr™ Holding & Septic Tank Treatment** with other holding tank products.

**Treat Rate:**
