

RECOTUFF™

CITRI-SOLV

BIODEGRADABLE CLEANER & DEGREASER

A unique blend of citrus solvents, soy methyl esters together with emulsifiers and surfactants formulated to remove tough soils from all industrial surfaces. Contains no petroleum distillates.

FEATURES & BENEFITS

- Multi-purpose solvent: Can be used in any environment for cleaning & degreasing
- High solvency & flash point: More efficient and safer to work with than traditional solvent degreasers
- Dilutable: can be diluted with mineral spirits
- Pleasant odour: Citrus fragrance that deodorizes as it cleans
- Free Rinsing: Emulsifies with water spray for efficient removal of soil and solvent
- Biodegradable: All ingredients are biodegradable

APPLICATIONS

Designed for a variety of cleaning jobs including oil, grease, lubricant, tar and asphalt removal from equipment, parts, engines, storage tanks and concrete shop floors. As it is petro-chemical free it can also be used in areas outside of the industrial environment for general cleaning of surfaces, unclogging cooking/food related oils and fats from drains and grease traps.

DIRECTIONS

1. The product may be applied by low pressure spray, brush or by saturated cloth.
2. Allow for contact times of 2-10 minutes depending on the severity of the soil.
3. Extended time and/or agitation with a brush may be required for heavy soiling.
4. Wipe off with a clean cloth or rinse off with water spray.
5. Grease Traps & Drains: Charge 200-500ml of undiluted product as required. Allow to dwell for up to 1 hour. Flush away with water.

CAUTION: Product may damage asphalt (driveways), painted surfaces and some plastics. Avoid prolonged contact time on rubber components. Can be used with compatible Parts Washing equipment able to handle combustible liquids; check the operating manual.

PRODUCT SPECIFICATIONS

Physical Form	Solvent based liquid
Colour	Pale Yellow
Odour	Citrus
Shelf Life	2 years
Solvency	High
Flash Point	60°C (140°F) Typical
Specific Gravity	0.870 - 0.880 g/mL
Emulsion Forming	Yes, with water

PACKAGING

Item #	Container Type	UPC
13-138	18.9 L / Metal Pail	0-56438-13138-0
