

RECOTUFF™

CLEAN-SOLV

EMULSION FREE CLEANER & DEGREASER

Blend of petroleum distillates and citrus solvents effective at removing grease, oil lubricants, tar and asphalt from a variety of surfaces.

FEATURES & BENEFITS

- Highly effective solvent: Quickly penetrates and removes oil, grease, lubricants, tar and asphalt
- Versatile Application: Can be applied manually by spray or brush on, by parts washer or dip tank
- Non-corrosive: Will not cause rust or corrosion to metals
- Pleasant Odour: Citrus fragrance that deodorizes as it cleans
- High flash point: Makes it safer to work with

APPLICATIONS

Excellent degreaser for parts, engines, storage tanks, electrical boxes and controls, printing equipment, power tools, generators, starters and concrete floors.

DIRECTIONS

1. The product may be applied manually by saturated cloth, brush or by low pressure spray, immersion in dip tanks or parts washing equipment.
2. Allow for contact times of 2-10 minutes depending on the severity of the soil.
3. Extended time and agitation with a brush may be required for heavy soiling.
4. Wipe residues off with a clean cloth.

CAUTION: Product may damage asphalt (driveways), painted surfaces and some plastics. Avoid prolonged contact time on rubber components. Can be used with compatible Parts Washing equipment able to handle combustible liquids; check the operating manual.

PRODUCT SPECIFICATIONS

Physical Form	Solvent based liquid
Colour	Clear to light yellow
Odour	Citrus
Shelf Life	2 years
Solvency	High
Flash Point	61°C (142°F) Typical
Specific Gravity	0.780 - 0.800 g/mL
Emulsion Forming	Non-emulsifying

PACKAGING

Item #	Container Type	UPC
13-108	18.9 L / Metal Pail	0-56438-13108-3
